Fit the Fishes

Game designers: Alexander Peshkov, Ekaterina Pluzhnikova

Illustrator: Olga Surina

Family

Game webpage

In Fit the Fishes the players will be populating their aquariums with fish by tracing cardboard stencils and completing various objectives, like feeding the fish and providing them shelter. In the end, each player is left with a drawing that can be brought to life with colored pencils!

The game develops visual perception, fine motor skills, as well as attentiveness, and presents a fun and stimulating activity for the children. How many fishes can YOU fit?

4+ | 2-4 | 15-30 | SRP $TBA
