New mission for MARI! Will you manage to collect valuable resources and figure out who else had landed on Mars before MARI?

“MARI on Mars” is a standalone sequel in the line of solo adventures of a resourceful robot. In this new mission, you will find 40 new unique levels of increasing complexity. Play one command at a time to create a sequence that will help MARI get to the next level. Plan ahead MARI's every step, clear obstacles, master new commands and tasks as you progress. Help MARI complete her mission and successfully return to Earth!

- A solo-adventure rather than a regular brain-teaser: has story and a compelling main character.
- In-level tutorials instead of customary rules.
- 40 different levels of increasing complexity.
- Rely on clues and solutions if you get stuck.
- Learn new ways to control MARI and discover various challenges and locations.
- Play solo or cooperate with your family or friends.
