Game on BGG

Take a look at the picture. Now turn it over and color in the black-and-white version!
This bright-hued color-by-memory game will be a hit with both children and adults. Try to keep up the pace while each round gets more challenging than the previous... The faster and the more accurate you are – the more chances you have at winning the round and the game!

Key Points:

- The concept of coloring books turned into an original fast-paced memory game.
- A versatile game suitable for all ages. Can be

adapted for younger players (focus either on the precision or on the memory aspect of the game).

- A child can beat their parent but both will certainly have fun!
- Over 200.000 copies sold worldwide.
- First print sold-out in Germany in under 3 months.
- Nominated for Game of the Year Award in Netherlands (2017).

Components:

- 55 image cards
- 6 markers with sponges
- 5 scoring cards
- 1 pouch (not included in the small box)
