

# WHAT'S NEW?

## MARKET

Each round players will take part in auction and purchase lots from the market.

## DOUBLE LANDS

Half of the land is considered to be one full land when scoring points, when there are different land types on the tile,

AND

They score as two lands when there is same type.

## FORTS

Function as any other building at the player's choice (yes, jokers!)

## ELEPHANTS WITH TENTS

These are not buildings! Elephants will bring you contract cards.

## CONTRACT CARDS

Contract cards have 2 functions:

- 1 They help to determine players order for auction.
- 2 All having different effects, they may bring additional points in the end of the game.
